Summer Event II

The summer session is off and running, with many of us using 3rd gear to get there.

We had 76 competitors giving Brian's course a run (or 4, or 8). It was fast from beginning to end (give or take a hairpin), with a 40+ pace slalom, an 'S' transition right at the pavement transition, and one Great White 'vette taking out 30 feet of chain link. Fortunately, the short, fast course made for an early day as the thermometer was reading 107 when the event was done.

Dave Schotz and his seemingly unfair ESP Mustang Cobra took both TTOD and top PAX time. More surprisingly, Chris Sparling's Saab seemed to like the new Kumhos and squeaked in front of Dave Rock by .001 for 2nd place PAX (yes, it's still a G-stock Saab). The top 5 were rounded out by Dave Rock, Dave McCombs (before the little fence incident), and John Raskob.

Hopefully, this whetted your curiosity and you're anxious to browse through the [results](#). For the record, there were a total of 76 scored competitors and 31 TOs.

On-line Registration

Please note On-line registration closes early this month. It closes **Thursday night** before the event so don't forget to sign up early.

Evolution School November 29th-30th

We have opened up registration for the Evolution Driving school. This school will be held November 29th and 30th at SIR in Tucson, AZ. We will be having a Phase 1 and a Phase 2 school, with a total of 24 position for each day. Please check out the [information page](#) for more details of fill out the [registration form](#) and send it along with you money to the address listed on the form.

There is also several Regional Divisional events that are coming up, if you are wanting to find some more competition during the summer.
